PROUD TO BE A DKMS PANTHER!

There is not currently a PIE group at DKMS.

Our student council spearheads many activities that support our school like Box Tops for Education, Campbell Soup Labels and recycling.

The school administration organizes and runs a yearly fundraiser that support students in class trips and events.

We do have parent volunteers who assist us with the recycling of printer cartridges and in our classrooms.

If you are interested in helping in anyway don't hesitate to contact the school office or your child's teacher.

We are hoping to gather parents who want to be a part of making DKMS a better place. That might be in the form of a PIE group or it might just be an organized group of parents doing things in and about our school. If you are interested in being a part of this group please contact us!

Thank you for visiting our web page!
