Delton – Kellogg Schools Student Technology Acceptable Use and School Internet Access Agreement

The use of school technology is a privilege intended to enhance student learning in the following ways:

- To help learn about technology
- To help learn how to gather information
- To help learn how to communicate with others

Listed below are some of the rules to keep in mind when using technology and the Internet:

1. I will only use technology with a teacher or teacher aide present. (Section II)
2. I will only use technology for which I have received training. (Section II)
3. I will only use technology for schoolwork and will not gather information that is not intended for use in a class assignment.
4. My Password is for my use only. If I choose to share it with others, I am still responsible. (Section IV)
5. I will only access files, programs and Internet sites that I have been authorized to access. (Section IV)
6. I will not knowingly do anything that brings a virus into the school's network. (Section III)
7. I will not, in any way, disrupt others' use of the school's technology. (Section IV)
8. I will ask for help if I am not sure how to properly use the school's technology. (Section II)
9. I will not use technology and/or the Internet until my parent/guardian and I have signed and returned this form. (Section II)
10. I have received training on, and understand the ethical uses of the school's technology and the Internet. (Section II)
11. I understand that the district has the right to check anything I do with its technology. I understand that the school will not be responsible for data, time lost, or harm caused by me or by others. (Forward)
12. I will follow all copyright laws. (Section III)

I have read and understand these rules. In order to facilitate the execution of educational programs within our school district, Delton – Kellogg Schools may set forth additional rules and regulations that are not specifically stated herein. Each Teacher may also have specific classroom rules.

As the above-named student's parent or guardian, I have read the Delton – Kellogg Schools Student Technology Acceptable Use and School Internet Access Agreement for Internet Access and Technology Use. I understand that access to the Internet through the school, and the use of district technology, are privileges provided to students for educational purposes only. I understand that the district will attempt to restrict access to all controversial material, including but not limited to, pornographic or abusive material, and I will not seek to hold the district responsible for materials acquired on the Internet. I hereby release the district, and its employees, agents, and operators from any and all claims of any nature arising from use of, misuse of, or inability to use District or K/RESA Internet resources. In addition, I agree to indemnify the district, K/RESA, and or K/RESA Net for any damage or liability caused by or arising out of my child's use or misuse of Internet resources or equipment as provided by the District, K/RESA and/or K/RESA Net.

I understand that these rules will be available in hard copy from the principal's office. I also understand that my child has been taught proper Internet and technology use and has been informed of the provisions of the District Student Technology Acceptable Use and School Internet Access Agreement. I realize that my child will not be able to use the District technology and/or the Internet until this form has been signed by both my child and me, and is on file. The privilege to use the school's technology and the Internet can be taken away at any time. A Student user found to be in violation of the Student Technology Acceptable Use and School Internet Access Agreement may be subject to disciplinary action as outlined in their respective buildings' Student Handbook. The cost to repair any damage caused by students, either intentionally or as a result of failure to follow directions, may be charged to parents.

Please carefully read the following choices and mark all your selection(s) with your initials.

- _____ My student has my permission to use the District's technology.
- _____ My student has my permission to use the District's Technology and Internet.
- _____ My student has my permission to have his/her name published on the school's website.
- _____ My student has my permission to have his/her name published (w/pictures) in sanctioned school publications.
