July 1, 2022

Greetings Delton Kellogg family,

As an educational leader who believes in unity and collaboration, it is with honor to be named as the Superintendent for Delton Kellogg Schools. I am extremely humbled to extend a thank you to the members of the Board of Education for giving me the opportunity to serve our wonderful school district. I look forward to serving our great school district and community.

The 2022-2023 school year begins my 23<sup>rd</sup> year in public education. My basic philosophy can be surmised by the idea that; school exist to provide all students with programs, supports, and opportunities to grow while reaching their full potential. Whether a student's future includes college, trade school, the military, agriculture or the workforce, Delton Kellogg students need to be well-prepared academically, socially and ethically for a successful future.

Collaboration is an essential part of my leadership style. While I undergo the transition to Delton Kellogg School District, I look forward to meeting and working with the school board members, staff, students, parents, community members and all other stakeholders of our amazing school district. Together, we will continue to build on the strengths of Delton Kellogg Public Schools in the pursuit of excellence, while developing superior educational programs for our students.

In closing, the entire Lartigue Family – my wife Marsha, daughter Arianna, and son Herman, III are thankful for the opportunity to be a part of the Delton Kellogg Community. In addition, I would like to thank and congratulate Mr. Carl Schoessel for his years of exemplary leadership and service to the Delton Kellogg School District and Community. I wish him well!

Serving Proudly,

Dr. Herman J. Lartigue, Jr.

Superintendent
