If you have a peanut or dairy allergy please let the driver at the site know this. They will not have the allergy slips from the office but will have options available.

Adults may pick up meals for children without the children being with them at the site. You may also pick up for other families to lessen the need for everyone to drive separately.

IF you cannot reach a site due to transportation issues and would like a home delivery please contact the office. We will work with you to arrange a delivery. Please contact Sharon Boyle at 269-623-1223 with any questions or concerns.
