TWO OPTIONS FOR ATTENDANCE

Both Options Require Students to:

1. Complete one class every three weeks or less
2. Communicate with me **TWO** times per week

1 **Option 1 - Completely Virtual:** You do everything at home – including final exams. Just message me when you are ready for a final exam.

2 **Option 2 - Classroom Time:** You may come into the classroom ONE time per week for two hours only. You must leave at the scheduled time so I have time to sanitize between students. You may take your final exams during that scheduled time. Transportation to/from school will be one way only. The district library is not available to our students this school year so students will not be able to use it between classroom time and going home. Masks are mandatory. No noses or mouths showing at any time. No food or drinks in the classroom at any time.

I will have multiple scheduled Google Meet times each week where all students can meet with me virtually for help.

Additional Information
