2019-2020**

This information will be kept Confidential

The Delton Kellogg Schools, parents and volunteers have worked hard together to create true community schools. Our students are achieving higher and are having more success academically due to this partnership. In a continued effort to keep our schools as safe as possible, we are asking volunteer parents and community members to submit to criminal background checks.

Volunteers are defined as those assigned to a school only upon the request of the teacher or administrator and who serve only in an auxiliary capacity under the direction and supervision of certified school personnel.

The Volunteer Consent Form and any response will be kept confidential with the district Administration Office and Superintendent (or designee). Thank you for your understanding with this matter and for all that you give to our schools, community and children.
